

What?! You're still spending time managing your library's Facebook page yourself?

Lack of time

Pearson Library (CLU)

Keeping an FB page updated is a lot of work. It takes a lot of time to put up a post because there may be:

- Photos that need to be taken
- Blog entries that need written
- Finding relevant bits of information to post

We did not know how often to post

Pearson Library (CLU)

We kept track of posts and made sure that we posted by printing out a calendar and:

- Putting information from the academic calendar on there (mid-term, spring break, finals, graduation, etc.)
- Wrote down when our hours changed (break, finals week, holidays)
- Made note of holidays when the library is closed or that the University celebrates
- Added events related to research or scholarship happening on campus

December 2, 2011

Have a group project? Need a study room? Like to plan ahead? You can book study rooms in advance by filling out the room reservation request form available at the circulation desk or by calling 805-493-3937 during working hours. To make sure everyone has a chance to use the study rooms all reservations are limited to two hours per day, per group and/or per person. Like to plan way, way ahead? We are currently taking reservations as far in advance as May 11, 2012!

We are currently experiencing a problem with our double-sided printer. If you are printing from the library's computer lab, it might take a few minutes for the job to print. We have addressed the problem and it should be fixed soon.

Using links that end with ".ly" - such as bit.ly or ow.ly? If so, you might want to consider changing them! Here's why:

DID YOU KNOW???
That the library used to be located where the Centrum is today?
From 1962 until 1984, in 1985 the Pearson Library and Preus-Brandt Forum were completed and has been the home of the library ever since.
