   • The original plan was to have 3 panelists, but we now have 4. Suzanne Im asked if we wanted to keep the 10 minute allotment for presentations or reduce it to allow for more discussion time.
     o Janet Pinkley suggested a shorter presentation time so more time is available for discussion since we have received feedback that the audience would prefer more discussion time.
     o Members agreed on a presentation time of as much as 7 minutes, plus 1 minute for transition.
     o Adolfo Prieto has agreed to be timekeeper for the program. Suzanne Im will ask him to notify presenters at 4 minutes, 6 minutes, and 7 minutes.
   • IG Showcase PowerPoint
     o Suzanne Im has received photos of past CARLDIG-S field trips and is compiling them into a PowerPoint presentation.
       ▪ If you have any photos, please send them to Suzanne.
       ▪ Suzanne will be sending out the final PowerPoint next week.
   • Questions for Program Discussion
     o Adolfo Prieto sent Suzanne Im example discussion questions from our previous program. Suzanne gave some examples and asked if we would like to re-use any.
       ▪ Janet Pinkley suggested that we tailor the questions to better match the content of this program.
       ▪ Discussion questions suggested:
         • How do you build support, sell ideas to administration, and implement innovative services?
         • How did the process of implementing the service happen?
         • How do you improve visibility and student awareness of services?
         • How do you train others and still keep service quality up?
       ▪ If you think of any other questions, please send to Suzanne Im.
