Getting familiar with your subject area

- LibGuides
- Databases
- Department website
- Faculty profiles
- Listservs

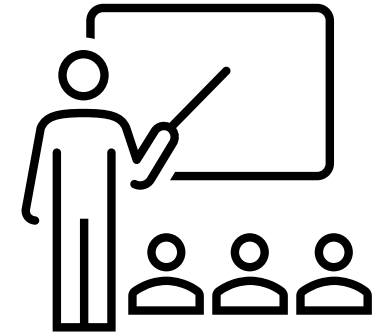

Building relationships in the department

- Reach out to faculty and department staff
- Send out emails throughout the year
- Attend department and university events

Preparing for library instruction

- Find out expectations
- Read class description
- Ask for a syllabus
- Learn major theories, people, and terminology
- What has been helpful for other classes?
- Have handout or other materials prepared

Thank you!
